RESPONSIBLE TO: Emily Murray (National Logistics Manager)

ABOUT THE AYCC AND THE POSITION

Established in early 2007, The Australian Youth Climate Coalition (www.aycc.org.au) unites over 60,000 young Australians and all major Australian youth organisations to build a generation wide movement to solve climate change. We educate, empower, inspire and mobilise young Australians to solve climate change, through short-term political impact and long-term cultural change.

In 2009, the AYCC ran the largest ever youth conference in Australia, the 2009 Sydney Power Shift for 1500 young people. This incredible event kick started a national movement of young people. In 2010, the AYCC took the Power Shift concept on the road, with regional Power Shifts held in Canberra, Adelaide and Geelong for over 500 young people. In 2011 Power Shift returns, this time in Brisbane and Perth, for two inspirational, empowering conferences. Each Power Shift conference will be a three-day event, with high profile keynote addresses from Australia's foremost climate change campaigners, interactive workshops and skills training, media stunts, social events and grassroots movement building!

Power Shift, like the AYCC, is based upon the passion and dedication of volunteers. We are looking for one exceptional young leader to support Accommodation Volunteers and help make Power Shift a reality.

RESPONSIBILITIES

1. To hold daily half-hour debriefs for the Power Shift Accommodation Volunteers in which the Accommodation Volunteers can share their experiences and concerns about supporting their group of underage participants.
2. To relay concerns and ideas that the Accommodation Volunteers want to be brought to the attention of the Power Shift organisers.
3. To supervise and provide emotional support to a group of approximately ten underage Power Shift participants as they travel to and from Power Shift activities and share a dormitory room in a Brisbane hostel on Friday, Saturday and Sunday nights.

SKILLS

The AYCC recognises that Accommodation Volunteers provide essential support for the wellbeing of Power Shift participants outside conference hours, and require a special support network in which they can monitor their own wellbeing. The Accommodation Volunteer Manager must be a confident leader with a reassuring manner who is experienced at

resolving interpersonal conflict. They must be responsible, approachable, and generous with their time, even when they are tired or stressed. Previous experience working with non-governmental organisations would be advantageous, however, we recognise that the best people may have no formal experience but are quick learners. Applicants must hold, or be willing to obtain, a Working With Children Check.
